REED SMOOT INVESTIGATION. Five Witnesses Testify Regarding Alleged Mormon Customs.

Washington, Dec. 14 .- Five witnesses were examined Tuesday by the senate committee on privileges and elections in the investigation of protests against Senator Reed Smoot retaining his seat in the senate. The first witness described the obligations taken by persons who pass through the endowment house and declared that every one agrees to submit to mutilation of the person if he or she reveals what takes place during the ceremony. Two members of the faculty of the Brigham Young university testified that they have sustained polygamous relations since the manifesto of 1890 and a teacher in the public schools asserted that the church had religion taught in such schools. Washington, Dec. 14.-Five witnesses were examined Tuesday by the senate committee on privileges and elections in the investigation of protests against Senator Reed Smoot retaining his seat in the senate. The first witness described the obligations taken by persons who pass through the endowment house and declared that every one agrees to submit to mutilation of the person if he or she reveals what takes place during the ceremony. Two members of the faculty of the Brigham Young university testified that they have sustained polygamous relations since the manifesto of 1890 and a teacher in the public schools asserted that the church had religion taught in such schools. Seven of the guards were injured in the chamber.

Having piled the debris in the middle of the chamber, the rioters crowned their work of destruction by erecting a model of a gallows from broken benches, from which an effigy of Premier Tisza was hanged, the deputies standing around amidst the wreckage, smoking cigarettes or pipes, while a crowd of reporters with cameras were busy obtaining pictures of

the memorable scene.

A whistling and howling concert followed, making it impossible to proceed with any business. Premier Tisza, who is a man of iron nerve, surveyed the scene with the greatest composure and soon left the chamber to hold a ministerial council.

In the meantime the opposition deputies remained in the chamber, and also some 1,500 people, including fashionable ladies in the galleries, none moving until an official announced the ministerial decision to hold no sitting.

The town remained quiet except for small disturbances, following a meeting of the obstructionists in the evening, which the police easily dispersed.

## GOING TO CLEVELAND

MRS. CHADWICK WAIVES EXAMI-NATION AND VOLUNTARILY RETURNS HOME.

#### MAY BE AGAIN SENT TO JAIL

AUTHORITIES WOULD MAKE HER BAIL SO HEAVY SHE COULD NOT FURNISH IT.

New York, Dec. 14.-Mrs. Chadwick started for Cleveland on the Buffalo limited, which left the Grand Central station over the New York Central at 8 o'clock Tuesday night. Before leaving she made a statement in which she declared she will pay all her obligations and that her sole purpose in going is to face her creditors. She said that she could have obtained bail if she had wished to and that one of the most prominent men in the country had offered today to go on her

Mrs. Chadwick left here in custody of United States Marshal Henkel and Deputy Marshals Kumb and Keller. Marshal Henkel said that he would leave the train at Poughkeepsie, but that the other marshals would go on to Cleveland with the prisoner. The train is scheduled to arrive in Cleveland at 11:50 a. m. Wednesday.

Before leaving the United States marshal's office for the station Mrs. Chadwick, at the suggestion of her counsel, Philip Carpenter, consented to an interview with the numerous newspaper men who were waiting.

It was shortly before 7 o'clock when the reporters were admitted to Marshal Henkel's office, where Mrs. Chadwick was awaiting them. She was reclining on a couch and seemed particularly alert. She was the absolute mistress of herself and either smiled She was gowned as she was when ar- federal authorities.

Many False Statements Made.

"Many statements that have appeared about me are false," she began, 'I have read statements in one or two papers that are absolutely false. I am physically and mentally broken down. I am not in any condition to make a statement.

"It is not true that I cabled to Dr. Chadwick this morning.

"Dr. Chadwick cabled me this morning and the cablegram will appear in the Cleveland Plaindealer tomorrow morning. I am going home for the sole purpose of facing my creditors and whatever charges they have made against me. I am going home voluntarily and not because I could not obtain bail. Since my arrest I have had offers of bail from many prominent persons. Isn't that so, Mr. Carpenter?" she asked turning to her counsel.

"Yes, that's true," he replied. "Today bail was offered me by one of the most prominent men in Cleveland by telegram," said Mrs. Chadwick. "He said that a wire would

prominent persons offer me bail today," continued the woman. "There was no reason why I could not get bail, none at all. I am not going to answer any questions," said Mrs. Chadwick, firmly, when one of the reporters asked her to disclose the identity of the person who had made the offer.

#### Mental and Physical Wreck.

"As I said before, I am a wreck, mental and physical wreck. Your questioning of my son and nurse, young men, has been embarrassing. 1 want it distinctly understood I am simply going home to answer questions. I shall not give bail until I reach Cleveland. I have the best reasons in the world for not doing so. The history of this case from beginning to end will soon be published in a certain newspaper.'

"You will give names, won't you Mrs. Chadwick," interrupted Mr. Car-

"I shall use names," corrected Mrs. Chadwick. "I promised to give out my story, though it may take months to get it out. I do not believe, however, that it will be published tomorrow, next week or in a month, certainly not until all my obligations are "I have not tried to flee from any

one, not even from the newspapermen." she continued with a smile. When all you young men thought that I was sick at the Holland House I walked right by you and went to the Fifth Avenue hotel and after attending to some business there took a cab back to the Holland House and went to bed."

Mrs. Chadwick told of going out walking with two of the most prominent men in New York, dining with them at Sherry's and returning to her hotel without the newspaper men seeing her.

Mrs. Chadwick flatly refused to discuss her relations with Andrew Carnegie. She said she would have gone back to Cleveland if the grand jury had indicted her fifty times.

#### Taken From the Tombs.

Mrs. Chadwick was taken from the Tembs in a closed carriage by Marshal Henkel shortly before 4 o'clock The party drove rapidly to the federal building and the woman was taken to the marshal's office. This was done Monday and this 155tf committee found that there were just one hundred ninety-one votes apiece for the two candidates.

> Considerable speculation has been indulged in on the outcome of the matter and many have been at a loss to know just how the tie will be decided.

Judge McClenahan was seen today and he stated that the tie vote did not have any particular bearing on the case. If either Miller or Twohey received a majority of the votes according to the recount this would not even decide the matter. The recount is made simply for the information that is required to carry on the contest.

There are several points at issue which must be decided and which will be taken under advisement by the court. The ground on which the contest is brought are that Mr. Miller was not legally nominated; that these men voted for him who were non-residents of the city; that the canvass is irregular and that the said Miller is not qualified

All these points have a bearing on the case and before Mr. Miller can take his seat must be decided by the court unless the two men get together and settle the matter out of court. Judge Mc-Clenahan stated this morning that a hearing may be had in the matter.

### CONTEST MAY BE SETTLED

Status of Twohey-Miller Contest for Seat in City Council Remains Same

MAY HAVE HEARING IN COURT

Question of Number of Votes Not Only One Involved in the Proceedings

There are liable to be some interesting developments in the Twohey-Miller contest for a seat in the city council, unless the matter is settled personally between the two men.

At the general election held in November Andrew Miller received a majority of one vote over T. Twohey according to the canvass of the ward judges of election. Mr. Twohey contested the election with the result that Judge McClenahan ordered a recount of the votes and named a committee to make the canvass. This was done Monday and this committee found that there were just one hundred ninety-one votes apiece for the two candidates.

Considerable speculation has been indulged in on the outcome of the matter and many have been at a loss to know just how the tie will be decided.

Judge McClenahan was seen today and he stated that the tie vote did not have any particular bearing on the case. If either Miller or Twohey received a majority of the votes according to the recount this would not even decide the matter. The recount is made simply for the information that is required to carry on the contest.

There are several points at issue which must be decided and which will be taken under advisement by the court. The ground on which the contest is brought are that Mr. Miller was not legally nominated; that these men voted for him who were non-residents of the city; that the canvass is irregular and that the said Miller is not qualified

All these points have a bearing on the case and before Mr. Miller can take his seat must be decided by the court unless the two men get together and settle the matter out of court. Judge Mc-Clenahan stated this morning that a hearing may be had in the matter.

#### CONTEST MAY BE SETTLED

Status of Twohey-Miller Contest for Seat in City Council

Remains Same

#### Question of Number of Votes Not Only One Involved in the Proceedings

There are liable to be some interestng developments in the Twohey-Miller contest for a seat in the city council, unless the matter is settled personally

At the general election held in Novemof one vote over T. Twohey according to tion. Mr. Twohey contested the election with the result that Judge McClenahan ordered a recount of the votes and named a committee to make the canvass. This was done Monday and this 155tf committee found that there were just one hundred ninety-one votes apiece for the two candidates.

Considerable speculation has been indulged in on the outcome of the matter and many have been at a loss to know

just how the tie will be decided. Judge McClenahan was seen today and he stated that the tie vote did not have any particular bearing on the case. If either Miller or Twohey received a majority of the votes according to the recount this would not even decide the matter. The recount is made simply for the information that is required to carry on the contest.

There are several points at issue which must be decided and which will be taken under advisement by the court. The ground on which the contest is brought are that Mr. Miller was not legally nominated; that these men voted for him who were non-residents of the city; that the canvass is irregular and that the said Miller is not qualified

All these points have a bearing on the case and before Mr. Miller can take his seat must be decided by the court unless the two men get together and settle the matter out of court. Judge Mc-Clenahan stated this morning that a hearing may be had in the matter.

Washington, Dec. 14.-Postmaster General Wynne has removed from office Frank H. Cunningham, the South Omana (Neb.) rural carrier who is president of the National Association of Rural Carriers. The dismissal is the result of an investigation of charges of insubordination, of being absent from duty without leave and or violation of the president's order of Jan. 31, 1902, prohibiting individual or organized attempts of government employes to influence legislation or to solicit increase of pay.

The case of James C. Kellar of the Cleveland (O.) postoffice, who is the head of the National Association of Letter Carriers, also reached a climax during the day. His activity during the campaign has been under investigation and some days ago he was ordered to return forthwith to his duties at Cleveland. ## MUSIC AND DRAMA.

Tomorrow night "The Tenderfoot" the new operatic comedy, will be seen here at the Brainerd opera house. This production was the marked triumph of the eastern season just past and will be presented here as in the east. The cast, with two or three exceptions, will be identical to that seen in the east and the engagement in this city should be a highly prosperous one. It is a pity that the smaller cities see so few really good musical plays, Most of them are found to be lacking in every attribute that goes towards the making of a wholesome musical comedy, and in many instances it is hard to understand whence they gained any reputation. In the case of "The Tenderfoot" those who have seen it are enthusiastic in its praise and claim for it an originality that is marked and impressive. The book is screamingly funny and without the least tinge of vulgarity. The score is tuneful and spirited. The cast is composed of excellent artists. It includes the following well-known people: Phil Ryley, Geo. E. Romain, Thos. L. Cameron, Arthur Wanzer, Mary Maletesta and Lucile Adams.

The scenery and the costuming are of ing on December 15. the highest type of artistic design. The company numbers seventy-five people, including a chorus remarkable for its large quantity of beautiful girls, and it requires four or five cars transport the company.

"SIGN OF THE CROSS."

Archbishop Ireland, of St. Paul, Minn., in a letter to Mr. Fred G. Berger, manager of "Sign of the Cross" company, said: "I cannot but applaud your idea of putting upon the boards plays, the trend of which is purifying and uplifting. Mr. Wilson Barrett has written a wonderful play." Rev. W. H. Bolster, pastor of the Congregational church, Boston, Mass., in speaking of "The Sign of the Cross" recently, said: "When good people attend good plays, beautiful and wholesome, and 'bycot' the unwholesome, then will the stage begin to fulfill its mission and produce the right sort of plays. And clergymen ought to set a good example by attending such a play as you courteously invite me to attend." This play will be seen for the first time in this city at the Brainerd opera house next Tuesday, December 20, and will no doubt be greeted with an immense audience. The prices will be \$1,75c,50c and 25c

Before coming to this country Professor Rollison sang at Queen's Hall, Steinway Hall, and in St. Paul's Cathedral London, besides training many professional pupils, we may mention that among his pupils was Miss Josephine White, who made such a sensation in Harrison's No. 1 company.

The professor is also a composer, his work including the music of "Liberty, Equality, and Fraternity," and a number of Sacred Anthems.

HOUSE ADOPTS A RESOLUTION AFTER DISCUSSING THE SUB-JECT FOR HOURS.

CASE NEXT GOES TO SENATE

JUGDE OF THE FLORIDA DISTRICT ACCUSED OF "HIGH CRIMES AND MISDEMEANORS."+

Washington, Dec. 14.—Sitting as a grand jury, the house of representatives Tuesday with almost a full membership after more than five hours' discussion to the exclusion of all other arrest, when they attempted to secure business, adopted a resolution providing for the impeachment of Judge Charles Swayne of the Northern district of Florida for "high crimes and misdemeanors." The case against the Thoroughly renovated and re- respondent was clearly set out by Mr. Palmer of Pennsylvania, chairman of | that the much sought individual is in the subcommittee of the judiciary committee, which heard the evidence in the case. He carefully dissected the evidence bearing on each of the specifications and said that if it were found that Judge Swayne had done well he should be vindicated, but if he had done ill he should be sent to trial, where his excuses and apologies may or may not receive consideration. He was followed by Messrs. Slayton of Alabama, Powers of Massachusetts Henry of Texas and Lamar of Florida, each of whom in most vigorous terms advocated impeachment. Messrs. Gillett of California and Little field of Maine, in speeches, opposed their colleagues on all the specifica tions except the one as to the account rendered to the government by Judge Swayne for traveling expenses. Throughout the session intense in-

terest was shown by members. Following the adoption of the impeachment resolution, provision was made for appointment of five members to notify the senate of the impeachment and for a committee of seven to present the case to the senate.

Tuesday's proceedings were the fir in 1876 of G. W. Belknap, who wa secretary of war in President Grant

GEBHARD CASE NOT CONSIDERED. Jury at New Ulm Considers Minor Matters First.

New Ulm, Minn., Dec. 14.—The De cember term of the district court was opened Tuesday by Judge Webber. The judge delivered an exhaustive charge to the jury and called its attention to the murder of Dr. L. A. Gebhard in this city Nov. 1. He stated that he had appointed H. W. Childs of St. Paul as prosecuting attorney in place of County Attorney Hoidale, who was forced to step out on account of being a law partner of H. N. Somser, who is a brother-inlaw of Dr. G. R. Koch, who is under arrest charged with the murder. W. W. Smith of Sleepy Eye, the well known banker, was selected as fore

man of the jury. The treatment Dr. Koch received at the hands of Sheriff Julius and Chie Klaus Friday night shortly after his his finger prints and had to handcuff him and use force, was investigated by the grand jury and Dr. Koch was called. The Gebhard murder case itself was not taken up Tuesday.

It is alleged that Asa Brooks, who saw the slayer of Gebhard, has claimed the insane asylum at Rochester, Minn.

WILL CREATE EXCITEMENT. Return of Mrs. Chadwick to Cleveland Anxiously Awaited.

Cleveland, O., Dec. 14.-The homecoming of Mrs. Cassie L. Chadwick will create more excitement in this city than any event of recent years. The probability of a tremendous jam at the depot has compelled Chief of Police Kohler to arrange details of officers to restrain the crowd, and United States Marshal Chandler, to whose offices she will be taken upor her arrival, has determined to station force of deputies around his office to prevent the throng from taking the room by storm.

The prospects are that Mrs. Chadwick will be compelled to go to jail unless she can give bail to the amount of \$40,000, and she may be asked t furnish surety as high as \$52,50 United States District Attorney Sulli van intimated that she would be held for bail of \$15,000.

County Presecutor Keeler said, "th case of Cuyahoga county against Mrs. Chadwick cannot come up until after the federal case has been disposed o If Mrs. Chadwick should give the box which District Attorney Sullivan w demand I shall immediately cause h rearrest under the two indictment found against her Monday and I will ask that she give bond of \$12,000 cr each indictment-or a total surety of \$25,000. There was a report Tuesda that a third indictment was found against Mrs. Chadwick charging for gery in connection with the \$5,000, 300 Carnegle note. It was not returned, but such a thing may occur before Mrs. Chadwick has seen the end of her troubles with the federal officials. If t does, Mr. Keeler will ask for a bone of \$12,500 in this case also, making the total amount of surety that she will be called upon to furnish \$52,000

HOUSE ADOPTS A RESOLUTION AFTER DISCUSSING THE SUB-JECT FOR HOURS.

CASE NEXT GOES TO SENATE

JUGDE OF THE FLORIDA DISTRICT ACCUSED OF "HIGH CRIMES AND MISDEMEANORS."\*

Washington, Dec. 14.—Sitting as a grand jury, the house of representatives Tuesday with almost a full membership after more than five hours' discussion to the exclusion of all other business, adopted a resolution providing for the impeachment of Judge Charles Swayne of the Northern district of Florida for "high crimes and misdemeanors." The case against the respondent was clearly set out by Mr. Palmer of Pennsylvania, chairman of the subcommittee of the judiciary committee, which heard the evidence in the case. He carefully dissected the evidence bearing on each of the specifications and said that if it were found that Judge Swayne had done well he should be vindicated, but if he had done ill he should be sent to trial, where his excuses and apologies may or may not receive consideration. He was followed by Messrs. Slayton of Alabama, Powers of Massachusetts, Henry of Texas and Lamar of Florida, each of whom in most vigorous terms advocated impeachment. Messrs. Gillett of California and Littlefield of Maine, in speeches, opposed their colleagues on all the specifications except the one as to the account rendered to the government by Judge Swayne for traveling expenses. Throughout the session intense in-

terest was shown by members. Following the adoption of the impeachment resolution, provision was made for appointment of five members to notify the senate of the impeachment and for a committee of seven to present the case to the senate.

Tuesday's proceedings were the fir of their kind since the impeachment in 1876 of G. W. Belknap, who we secretary of war in President Grant's

GEBHARD CASE NOT CONSIDERED. Jury at New Ulm Considers Minor Matters First.

New Ulm, Minn., Dec. 14.-The Decomber term of the district court was opened Tuesday by Judge Webber. The judge delivered an exhaustive charge to the jury and called its attention to the murder of Dr. L. A. Gebhard in this city Nov. 1. He stated that he had appointed H. W. Childs of St. Paul as prosecuting attorney in place of County Attorney Hoidale, who was forced to step out on account of being a law partner of H. N. Somser, who is a brother-inlaw of Dr. G. R. Koch, who is under larrest charged with the murder. W W. Smith of Sleepy Eye, the well known banker, was selected as fore-

man of the jury. The treatment Dr. Koch received at the hands of Sheriff Julius and Chief Klaus Friday night shortly after his arrest, when they attempted to secure his finger prints and had to handcuff him and use force, was investigated by the grand jury and Dr. Koch was called. The Gebhard murder case

itself was not taken up Tuesday. It is alleged that Asa Brooks, who saw the slayer of Gebhard, has claimed that the much sought individual is in the insane asylum at Rochester, Minn.

Return of Mrs. Chadwick to Cleveland Anxiously Awaited.

Cleveland, O., Dec. 14.-The homecoming of Mrs. Cassie L. Chadwick will create more excitement in this city than any event of recent years. The probability of a tremendous jam at the depot has compelled Chief of Police Kohler to arrange details of officers to restrain the crowd, and United States Marshal Chandler, to whose offices she will be taken upon ner arrival, has determined to station force of deputies around his office to prevent the throng from taking the coom by storm.

The prospects are that Mrs. Chadwick will be compelled to go to jail unless she can give bail to the amount of \$40,000, and she may be asked to urnish surety as high as \$52,500. United States District Attorney Sullivan intimated that she would be held for bail of \$15,000.

County Prosecutor Keeler said, "the case of Cuyahoga county against Mrs. Chadwick cannot come up until after the federal case has been disposed of If Mrs. Chadwick should give the bonwhich District Attorney Sullivan w demand I shall immediately cause he rearrest under the two indictment found against her Monday and I wil ask that she give bond of \$12,000 cm each indictment-or a total surety of you begin now. \$25,000. Mr. E. Smith, of No. 1, Union St., Troy, N. Y., says:

"I used to suffer constantly from nervous headache and dizzy spells. They came on at any time and in any place-I was never safe from them-stooping over always resulted in vertigo-my head pained me as well. I began using DR. A. W. HOUSE ADOPTS A RESOLUTION AFTER DISCUSSING THE SUB-JECT FOR HOURS.

CASE NEXT GOES TO SENATE

JUGDE OF THE FLORIDA DISTRICT ACCUSED OF "HIGH CRIMES AND MISDEMEANORS."\*

Washington, Dec. 14.—Sitting as a grand jury, the house of representatives Tuesday with almost a full membership after more than five hours' discussion to the exclusion of all other business, adopted a resolution providing for the impeachment of Judge Charles Swayne of the Northern district of Florida for "high crimes and misdemeanors." The case against the Thoroughly renovated and re- respondent was clearly set out by Mr. fitted, with electric lights, perfectly Palmer of Pennsylvania, chairman of the subcommittee of the judiciary committee, which heard the evidence in the case. He carefully dissected the evidence bearing on each of the specifications and said that if it were found that Judge Swayne had done well he should be vindicated, but if he had done ill he should be sent to tral, where his excuses and apologies may or may not receive consideration. He was followed by Messrs. Slayton of Alabama, Powers of Massachusetts Henry of Texas and Lamar of Flor ida, each of whom in most vigorous terms advocated impeachment. Messrs. Gillett of California and Littlefield of Maine, in speeches, opposed their colleagues on all the specifications except the one as to the account rendered to the government by Judge Swayne for traveling expenses. Throughout the session intense in-

terest was shown by members. Following the adoption of the impeachment resolution, provision was made for appointment of five members to notify the senate of the impeachment and for a committee of seven to present the case to the senate.

Tuesday's proceedings were the five of their kind since the impeachment in 1876 of G. W. Belknap, who wa secretary of war in President Grant's

GEBHARD CASE NOT CONSIDERED. Jury at New Ulm Considers Minor Matters First.

New Ulm, Minn., Dec. 14.-The December term of the district court was opened Tuesday by Judge Webber. The judge delivered an exhaustive charge to the jury and called its attention to the murder of Dr. L. A. Gebhard in this city Nov. 1. He stated that he had appointed H. W. Childs of St. Paul as prosecuting attorney in place of County Attorney Hoidale, who was forced to step out on account of being a law partner of H. N. Somsex, who is a brother-inlaw of Dr. G. R. Koch, who is under arrest charged with the murder. W W. Smith of Sleepy Eye, the well known banker, was selected as fore-

man of the jury. The treatment Dr. Koch received at the hands of Sheriff Julius and Chief Klaus Friday night shortly after his arrest, when they attempted to secure his finger prints and had to handcuff him and use force, was investigated by the grand jury and Dr. Koch was called. The Gebhard murder case itself was not taken up Tuesday.

It is alleged that Asa Brooks, who saw the slayer of Gebhard, has claimed that the much sought individual is in the insane asylum at Rochester, Minn.

AMES JURY FAILS TO AGREE Sixth Trial of Minneapolis Man May Be Started.

Minneapolis, Dec. 14.-Failing to agree, the jury in the fifth trial of Dr. A. A. Ames, charged with accepting a bribe from Bessie Lee, a woman of the town, was Tuesday discharged by Judge Elliott. The jury was out sixty-five hours

and stood, according to rumor, 9 to 3 for conviction until the last ballot, when the division was 7 to 5. It is understood that the county attorney will move to begin a sixth trial on the same charge.

Thompson and other capitalists of Montreal have purchased Kakebeka falls, eighteen miles east of Port Arthur, Canada, and this coming spring will commence the development of a 30,000-horse power plant which will supply all the industries of Port Arthur, Fort William and surrounding towns.

WILL CREATE EXCITEMENT.

Return of Mrs. Chadwick to Cleveland Anxiously Awaited.

Cleveland, O., Dec. 14.-The homecoming of Mrs. Cassie L. Chadwick will create more excitement in this city than any event of recent years. The probability of a tremendous jam at the depot has compelled Chief of Police Kohler to arrange details of officers to restrain the crowd, and United States Marshal Chandler, to whose offices she will be taken upon her arrival, has determined to station force of deputies around his office to prevent the throng from taking the oom by storm.

The prospects are that Mrs. Chadwick will be compelled to go to jail unless she can give bail to the amount of \$40,000, and she may be asked to furnish surety as high as \$52,500. United States District Attorney Sullivan intimated that she would be held

for bail of \$15,000. County Presecutor Keeler said, "the case of Cuyahoga county against Mrs

Chadwick cannot come up until afte the federal case has been disposed of If Mrs. Chadwick should give the bonwhich District Attorney Sullivan wi demand I shall immediately cause he rearrest under the two indictments found against ber Monday and I wil ask that she give bond of \$12,000 c each indictment-or a total surety of \$25,000. If it does, Mr. Keeler will ask for a bond of \$12,500 in this case also, making the total amount of surety that she will be called upon to furnish \$52,000. this city, will probably appear in Mrs Chadwick's case behalf when she is brought before United States Marshal Chandler.
